General considerations

29. For graded exemption, the agreed grades shall be included in grade profiles and calculations when determining progression and award decisions in the programme in the place of the exempted assessment block/s.
30. For ungraded exemption, no grade shall be assigned to the exempted assessment block/s. Ungraded exemption credit shall be excluded from all calculations of GPA and volume of grade credit.
31. Exemptions (other than those based on Brunel credit) may not be applied to the following parts of programmes, which students must therefore normally attempt: (i) any FHEQ Level 6 or FHEQ Level 7 assessments in an ordinary bachelors, honours bachelors, medical degrees, or Integrated Masters degree programme; (ii) more than 50% of the assessed credit of non-degree undergraduate awards.
32. Exemptions from requirements associated with teaching and learning will normally reflect approved assessment exemptions.
33. Where appropriate, the period of study may be reduced pro rata for students granted exemption from assessment blocks in recognition of prior learning or higher education credit.
34. A formal record shall be made of the exemptions accorded to such applicants when they were admitted, and of any grades assigned for the purposes of calculating the outcomes of awards. Such applicants shall also be notified in writing regarding the exemption decisions.
35. Where a prior award of the University is used to provide partial exemption from a new award's requirements, the prior award must normally be rescinded before conferral of the new award. Where only partial credit of the prior award is used in this way, the Academic Registrar shall advise on the need to rescind the prior award.

Individual variations to programmes, changes to modes of study and transfers, extensions and abeyances

The following regulations pertain to assessment at FHEQ Level 4, 5 and 6, and FHEQ Level 7 assessment where this forms part of an undergraduate programme offered under these regulations.

46. Each element of assessment (other than those assessed on a pass / fail basis) shall be assessed as follows:

62. Where a student fulfils the requirements for more than one award under these regulations, the Board of Examiners will normally only recommend the award of the highest qualification for which they are eligible.

Reassessment: general considerations

63. Students who at first assessment do not meet the minimum requirement for satisfactory completion of a Level (including the final Level) of a programme may be entitled to reassessment in one or more assessment elements. Students at any Level who, after any reassessment to which they are entitled, do not meet the minimum requirements for satisfactory completion of a Level, shall be required to withdraw from the programme. †

64. The maximum grade which will be awarded in any assessment block subject to reassessment is the threshold grade (D)

72. At FHEQ Level 7, a student who at first assessment has failed to achieve a grade of at least C- in an assessment block or in any core assessment, is entitled to reassessment in any assessments where s/he has failed to achieve a grade of C- or better, provided that the total credit value of the assessment blocks which are reassessed (in whole or in part) in the Level is no more than 40 credits. * The borderline mechanism, for cases where the Minimum Weighted GPA requirement has not been met, is defined in A6 below.

A6. Where a student has met all requirements for the award of a particular classification of an honours bachelors degree other than the minimum GPA requirement, a strict borderline mechanism will be employed that takes into account the weighted credit volume of grades in the class (as defined in 2.46 above) or better, such that the Minimum Weighted GPA requirement for each classification is modified as follows:

Honours Bachelors Degree Classification	Borderline Mechanisms		
Volume of grades (weighted by assessment block credit value <u>and</u> by Level weighting) in Class or better	Class		
	1 st	2.1	2.2
	Minimum weighted GPA		
At least 50% of grades (weighted) in Class or better	12.5	9.5	6.5

A7. A Board of Examiners may, in exceptional circumstances, exercise discretion in determining the class of degree to be recommended, when it recognises that equity of treatment of students and/or confidence in standards will be protected by the exercise of discretion. Discretion may not be exercised in determining whether to recommend the award of a 3rd class degree. The reasons for discretionary recommendations shall be individually recorded by the Board of Examiners.

A8. Where a student registered for a programme leading to an honours bachelors degree does not fulfil the requirements for the award under these Regulations, the relevant Board of Examiners will normally consider the eligibility of a student for the award either of an ordinary bachelors degree (if available), or Diploma of Higher Education or Certificate of Higher Education, as set out the programme specification for the relevant honours bachelors degree.

A9. Where, in accordance with Regulation 4, a Board of Examiners determines to recommend the award of an aegrotat degree, the award shall not be classified.
